DETAILED ACTION

Claims 1-14 are allowed.

The following is an examiner's statement of reasons for allowance: The prior art does not teach or render obvious a printing apparatus as claimed, particularly including a paper-feeding means for conveying printing medium from a first holding region to a second holding region, both disposed on a first side of the apparatus body, comprising a reversal means for reversing the direction of the printing medium including a reversal roller having a peripheral surface in close proximity to both first and second opposite sides of the apparatus body, printing means directly over the reversal means, and an ink tank for storing ink arranged above the printing means such that the printing medium is conveyed above the printing means between the ink tank and the first side of the apparatus body along the ink tank and the first side of the apparatus body.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Jill E. Culler whose telephone number is (571) 272-2159. The examiner can normally be reached on M-F 10:00-6:00.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Andrew Hirshfeld can be reached on (571) 272-2168. The fax phone
